Dear mrs. Priego Flores,

UTZ CERTIFIED has received the signed agreement in good order, and I am glad to inform you that UTZ CERTIFIED has officially approved your company as a Certification Body to carry out UTZ CERTIFIED Code of Conduct and Chain of Custody certifications. Congratulations and welcome on board!

This approval allows you to carry out certifications for the:

- UTZ CERTIFIED Code of Conduct and Chain of Custody (origin and destination) requirements

The directions for auditing and reporting are described in the UTZ CERTIFIED Certification Protocol. We kindly request to you pay particular attention to the audit procedures and timeliness requirements (Chapter 4) and the requirements for the summary report (Chapter 8). This will help us ensure the best service to your customers, the UTZ CERTIFIED buyers.

Please note that UTZ CERTIFIED certification protocol is currently being revised; a revised version will be submitted to you when ready in 2009. Furthermore, all Certification Bodies will have to renew their UTZ CERTIFIED approval in 2009, the documents for the re-approval process will be submitted to you in due time.

UTZ CERTIFIED is looking forward to a pleasant and successful cooperation with you!

If you have any further questions or remarks, please feel free to contact our UTZ certification department. We can be reached at our head office in Amsterdam, at [certification@utzcertified.org](mailto:certification@utzcertified.org). Good luck with the UTZ CERTIFIED certifications!
